2021 DOUBLE L SYRAH

“This Double L Vineyard Syrah is an undersung part of the Morgan lineup in my book, and 2021’s acid profile is more than making my point here. No need for a ton of oak here — the fruit is super fresh, and the wine is light on its feet while still pulsing with black fruit energy. You will love this with lamb or a richly sauced pork roast. Bravo!”

- Rich Cook, June 2023
