2021 TWELVE CLONES PINOT NOIR

“Morgan’s Twelve Clones Pinot Noir is always a solid value leader, and typically made to be ready to go right out of the gate. In keeping with the emerging theme of 2021 on the Central Coast, this pulses with energy and tension. Forward red fruit and bright oak toast aromas follow through on the palate, with a silky midpalate and a crisp finish with nice push.”
