

MORGAN
SANTA LUCIA HIGHLANDS

93 POINTS

International
WINEREPORT

2019 Boekenoogen Vineyard Pinot Noir

“The wine is brooding and rich on the nose with elements of black raspberry, dusted cocoa powder, tangerine peel, Christmas spices, slow roasted pork with plum sauce, and a hint of black pepper. The palate is rich in body, showing beautiful structure that is balanced between the decadent fruit flavors, the acidity and the structured yet integrated tannins. Drinks beautifully now but will last another decade or more with proper cellaring.”

- Jeremy Young, August 2021
