

MORGAN
SANTA LUCIA HIGHLANDS

93 POINTS

International
WINEREPORT

2019 Twelve Clones Pinot Noir

“Displaying translucent ruby in the glass, the impressive nose pops with fresh aromas of pomegranate, red raspberry, dried mint and red flower petals. Delivering racy acidity on the palate, followed by lengthy fruit flavors of wild strawberry, tangerine peel, olive oil and dried herbs. Tannins are already integrated in this delicious wine that is ready to drink now but will last for another 5 years or more.”

- Jeremy Young, August 2021
