**2019 Garys' Vineyard Pinot Noir**

*"A single-vineyard Pinot Noir from the Garys' Vineyard in Santa Lucia Highlands spends 10 months in 50% new French oak barrels. Light ruby and violet in the glass, the wine is simply stunning to look at with a perfumed nose to match - think black raspberry, blue plums, fresh violet petals, roasted espresso and a touch of earthiness. The wine is medium to full bodied on the palate, with ample amounts of acidity to match the bold and juicy fruit components."*

- Jeremy Young, August 2021
