***2019 Rosella's Vineyard Pinot Noir***

*"It's hard to pick a favorite from the delicious single-vineyard selections of Pinot Noirs from Morgan, but the Rosella's Vineyard is absolutely breathtaking wine. It delivers in spades bountiful aromas and flavors of fresh wild strawberry, red candied cherry, Earl gray tea and toasty cloves spilling from it's medium-ruby core. The palate brings mouth-watering acidity, glossy tannins, medium body and a finish that starts off fruit-forward but ends on a savory note with a touch of saline."*
